

**In Loving Memory**

**"Joe"**

**Joseph Christopher Page**

**January 26, 1988 - February 7, 2008**

**Two years ago today we had to say goodbye,  
But we still have the lingering question,  
WHY?**

**Only God knows why he called you  
at such an early age,  
But it's so hard to accept, even at this stage.**

**We miss that quiet, shy grin  
and all the love you had inside.  
Your love and actions overflowed as you took  
everything in stride.**

**Your legacy continues as we  
lend a helping hand,  
To make this world a better place,  
to educate and make others understand.**

**It broke our hearts to lose you,  
But you did not go alone  
For part of us went with you,  
When the angels carried you home.**

**We love and miss you, Joe!  
Forever in our hearts. Always on our minds,  
Your Family and Friends**
