

January 26, 2009

What a great Birthday party/Blood Drive we had on January 24th to celebrate Joe's 21st birthday! Your outpouring of love and support continues to amaze me. We had 61 people that came to donate blood and out of these willing donors we obtained 43 pints (gifts) of blood. That's potentially 129 lives that may be saved because of your donation.

I would like to thank everyone that helped with set up/clean up, donated blood and volunteered your time. I offer a special thank you to Pastor Jeff Carter for the use of Manassas Church of the Brethren to hold the Blood Drive and to the American Red Cross for running the drive for us. Thanks again to everyone for your contribution to this special day.

HAPPY BIRTHDAY, JOE!

Sincerely,

Debbie Page-Maples
President
